THIS IS NOT A BILL

This is a mock invoice to show what to expect when you receive an invoice in May to enable Business Improvement District (BID) **services to begin in July 2024** in Five Points South and The Switch. Paying your bill promptly (preferably in May) will help fund the hiring and equipment/supply purchases required to start services July 1. Learn more about the program at downtownbhm.com/about/bid.

Invoices are billed at 0.3% of the appraised property value provided by Jefferson County at the time of invoicing. For example, if a property is valued at \$100,000, the full-year assessment amount would be \$300. Since 6 months of services will occur in 2024, the 2024 assessment you receive in May will be for half of your full-year assessment. You can find your appraised property value at eringcapture.jccal.org/propsearch to calculate your assessment.

Please indicate the INVOICE NUMBER on your payment.
